Ireland - RCSI (Royal College of Surgeons in Ireland) is authorised by the Revenue Commissioners as an approved body under the Scheme of Tax Relief for Donations to eligible Charities and other Approved Bodies under the terms of Section 848A Taxes Consolidation Act 1997. What this means is that, if you pay tax and donate €250 or more to RCSI in any year, we can claim nearly 45%* in tax relief from Revenue at no extra cost to you.

For example, if you donate €500, that could be worth another €224.65 to RCSI with tax relief. To enable RCSI to claim this relief, all you need do is complete a simple form that covers every year in which you donate €250+.

Canada - If you are based in Canada, you can donate directly to RCSI as we are registered as a 'prescribed university outside Canada' with the Canada Revenue Agency. This means that a donation made by a Canadian donor to the University can be claimed in computing taxable income to the extent provided by subparagraph 110.1(1)(a)(vi) and paragraph 118.1(1)(f) of the Canadian Income Tax Act.
