Research interests and specialty	<ol style="list-style-type: none">1. Clinical skills2. Medical simulation3. Medical education4. Emergency medicine5. Public health6. Health and wellness7. Human development and psychology8. Human nature
Major accomplishments	I believe that my major accomplishment is to see my students progress in their career and life. Knowing that I have developed in nurturing their knowledge and character is one of my achievements. I feel fulfilled and accomplished every time I ran into them, and they would thank me and say, "you were right doctor".
