**Teaching Experience:**

I am currently the Chief of Staff at King Hamad University Hospital Bahrain, Chairman and Professor and Head of the Department of Surgery at RCSI Bahrain and former Head of the Dept of Surgery at King Hamad University Hospital. In addition I am a consultant Paediatric Surgeon at King Hamad University Hospital, Bahrain. I have introduced a wide variety of clinical governance models including informed consent, risk management, have overseen the development and introduction of an in-house online incident reporting system. I have been instrumental in implementing the WHO Universal Protocol for all interventional procedures in the hospital. I chair a variety of committees including risk management, quality and patient safety and play a leading role in preparing the hospitals accreditation process for the JCI (scheduled for 2017). The role of Chief of Staff is varied and challenging and focuses on ensuring standards of care for all patients at KHUH and ensuring that the reputation of this hospital and its staff is enhanced and protected.

Served on the basic surgical training committee and regularly serve on faculty of the basic surgical skills course,

Instructor on the ATLS and CrISP course run by RCSI,

I have represented RCSI at the Inter-Collegiate Board of Examiners in Paediatric Surgery, 2005-2011

I have represented RCSI on the specialist advisory committee in Paediatric Surgery from 2004 – 2008

I have been an Examiner in the FRCSI, MRCSI and Intercollegiate FRCS (Paed Surgery) since 1996, 2001 and 2005, respectively.
