

RCSI

Support Tools

For Career Counsellors

A set of resources available to support career counsellors and school representatives wanting to educate students on healthcare majors.

An introduction to RCSI Bahrain - *pursuing a career in healthcare*

A 1-to-1 meeting for career counsellors with one of our specialists to introduce RCSI Bahrain and outline the support we can offer students applying to university.

A Career in Healthcare - *Starting your journey*

A presentation for students that are looking to pursue a career in healthcare. The session can be delivered in person or virtually and discusses preparing to apply for university.

Personalised advice sessions - *Planning your journey*

A personalised meeting for students and/or their parents to discuss their individual journey. The session can be in person or virtual and will cover specific information on RCSI Bahrain.

Exploring our campus - *a guided tour*

A guided tour of the RCSI Bahrain campus, either in person or online using our virtual walkthrough.

Life as a medical student - *beginning your career*

A presentation from one of our current Students / Alumni detailing their own experience and pathway into healthcare. The session will include a Q&A and can be held in person or virtually.
