

To whom it may concern,

A member of staff from your organisation has applied to undertake the Post Graduate Diploma/MSc in **Occupational Health** the School of Nursing & Midwifery in RCSI.

This a programme of study which aims to ensure safe and effective practice through the development of the knowledge and competencies necessary for high-level professional practice. A key component of this programme is the integration of theory and practice and the completion of dedicated learning hours and clinical competencies. Further programme information can be found here: http://www.rcsi.ie/nursing_courses

The programme is accredited by the Nursing and Midwifery Board of Ireland, and they require that each student on the programme have clinical experiences and a completed set of competencies relevant to the programme.

We are hereby seeking your agreement to support your staff member in the completion of the programme. The competence assessment will be carried out by a dedicated RCSI tutor. We are asking for your support in facilitating this student while they are undertaking this programme. Should you agree to this please completed the attached form.

Please feel free to contact the dedicated RCSI Nurse Tutor: **Niamh Rohan** niamhrohan@rcsi.ie or myself for further clarification if required.

Yours Sincerely

Professor Zena Moore
Head of School of Nursing & Midwifery, RCSI
